RED KNIGHTS MC EUROPEAN ASSOCIATION

Newsletter #2/2025

WORDS FROM THE EDITOR

Hello Fellow European Red Knights,

The cover picture gives a great indication of the sights that members were treated to by Italy 1 at this year's hugely successful EuCon in Florence. WELL DONE Italy 1 for the hard work needed to host such a large gathering of Red Knights.

I would also like to take this opportunity to thank our outgoing Association VP `Whitey` for his work during his time on the Board and to welcome our new VP, Mark Maughton.

Our Regional Director, Tom Van Der Kley has announced that he will not be standing for re-election at the end of this current term in office and I sure that we all send our thanks to Tom for his hard work , dedication and commitment on behalf of the European Red Knights.

As you will see from some of the articles in this Newsletter, our Red Knights chapters continue to support local charities, providing them with much needed funds. Some of the charities have close connections to our members and this makes the support for them even more important.

Please remember that for this new **European Newsletter** to be a success I need you to send your stories and news to me, it doesn't have to be very big, a few paragraphs and a couple of photos would be great. I look forward to receiving your articles and to publishing them here in your **European Association Newsletter**, you can send them to me at newsletter@redknightsmc.eu.

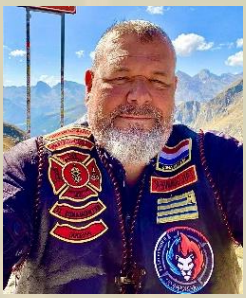
Dear Brothers and Sisters,



As the well-known phrase from the Game of Thrones series goes, "Winter is coming," and indeed, we find ourselves once again on the threshold of the colder season.
Before we fully embrace the winter months, it is worth reflecting on the beautiful summer.

The Eucon in Florence was a memorable event, not only for its fantastic setting but also for the significant moments it brought. During the presidential meeting, we were pleased to confirm the election of Mark "Muffy" Moughton, who will be stepping into the role of Vice President, succeeding Patrick "Whitie" Weiss. We extend our heartfelt gratitude to Patrick for his contributions to the EU board.

The gathering in Florence was about much more than meetings. There was ample opportunity to connect with many members, engage in meaningful conversations, and explore the local area. A particular highlight was the visit to the Florence fire station, which provided a unique and memorable experience for all involved.

As discussed during the Presidents' meeting, the roll-out of the Assign app is underway across Europe and by the time you are reading this message, a dedicated meeting will have already been held with the creative team responsible for developing our new website.

As we prepare for the arrival of winter, with its cold, wet, and dark days, it is important to remember that this season can be challenging for some. The winter months often mean fewer in-person gatherings, but thankfully, it is easier than ever to reach out and stay connected. If you ever feel the need for a conversation, please do not hesitate to get in touch. Additionally, if you are aware of anyone who may be struggling during this period, consider reaching out and perhaps sharing a cup of hot chocolate together.

In closing, I wish all of you a very happy holiday season, and I look forward to seeing you again soon. Should you have any questions, please feel free to contact me via email at president@redknightsmc.eu or on Whatsapp at +31650881554.

Peter "Tailgunner" Abbring

President of the European Association Board

Alright brothers and sisters
Just introducing myself to all of you across Europe.
I'm Muffy quartermaster at England 4, joined Red Knights in 2021 just before I retired from Essex fire service after serving 30 years.
I've been to a few of the EuCons and chapter celebrations through Europe so a few of you would have come across me (normally with a beer)
I'm very proud to have been part of the driving force to get our memorial up and running, managing to acquire approximately £25,000 worth of materials for free which helped make the memorial the place it is.
I am proud to now also be the new vice president on the European board, I know I will bring some fresh ideas and want to be a very active part of the team.
With our Eng/Ire meet coming up next May I'll be very visible so come and have a chat, if there's something you want put forward then get in touch that's why we're here.
Anyway, before you nod off, I'll end this introduction.
Thank you
Mark Moughton England 4, Vice -President of the European Association

Reflections on 15 Years of Brotherhood and Change

By Tom van der Kley, Regional Director, Region 7

As I sit on a flight to Washington for the International Fall board meeting, I find myself reflecting on almost 15 years as a member of the RKMC and now four years as your Regional Director. It feels like the right moment to share a few thoughts and memories with you all.

The Beginning of a Journey

My journey began around 2010 or 2011 — I can't recall exactly — when I stumbled upon the International RKMC website by chance. What I read there resonated deeply, so I decided to give it a try. Together with a friend, I started as a Member at Large (MAL). After visiting several chapters and events, it quickly became clear that this was where I belonged.

Soon after joining, I was elected as the representative for all European MALs. It was an unexpected honor — and a big responsibility. I began working to give MALs across Europe a stronger voice within the club. It wasn't always easy; communication was often a challenge, and many members remained out of reach. Yet, I was fortunate to meet many passionate and dedicated brothers and sisters whose enthusiasm reminded me why this club means so much.

Growing with Responsibility

A few years later, I decided to run for European Treasurer — a role that allowed me to give something back to a community that had already given me so much. To my surprise, I was elected, and I had the chance to collaborate with a wide range of motivated (and sometimes less motivated) members across Europe.

Through that work, I became increasingly involved with the International Board, often helping as a translator. Language is more than words — it carries emotion and meaning — and bridging those gaps was both a challenge and an honor. Over time, my involvement deepened, friendships grew stronger, and one day I found myself nominated — and eventually elected — as Regional Director for Region 7.

Honestly, I was stunned. From MAL to RD7 — it was a journey I never could have imagined.

Four Years of Growth and Gratitude

Since then, I've had the privilege of meeting countless incredible people around the world. The RKMC has given me brothers and sisters on every continent. But I also remember the advice my predecessors gave me: one day, new ideas and fresh energy will be needed. While that day has not yet come, it's on the horizon. These next two years will be my last term as your RD7, and I'm confident that the next leader will continue the projects we've started — and bring new ones to life.

continued;

A Message from the Heart

After nearly 15 years of active membership and service at almost every level of the club, I've seen our culture evolve — and not always for the better. What worries me most is a growing shift away from the true spirit of motorcycling, friendship, and respect. Too often, people seem more interested in how quickly they can earn a patch rather than what it means to wear one.

Our traditions, hierarchy, and bylaws are not burdens — they're the foundation of who we are. When those values are dismissed, we lose the very essence of our brotherhood.

If you're thinking of joining the RKMC, ask yourself why. If it's just to wear a vest, make money, or play a part — maybe you're in it for the wrong reasons. Those who still cherish our values deserve the space to preserve them.

Because in the end, this club is — and should remain — about the road, the ride, and the brotherhood that unites us all.

Austria IV Open their New Clubhouse

It is always great news to hear about the opening of a Chapter's new Clubhouse. In August, Austria IV opened their new Clubhouse and were happy to receive Red Knights visitors from Switzerland, Germany and MALs to share in their joy and excitement.

Their friends from the Blue and Green Knights also visited to share in Austria IV's special day.

AN UNFORGETABLE WEEKEND WITH GERMANY 3

At the end of September our club grounds of Germany 3 turned into a very special place when the Camp Ground turned in to an event just for Red Knights.

On Friday, the first members had already begun to arrive, set up their night camps, cleared the fire station and provided a nice start to an unforgettable weekend.

Everyone was set for a few days off from everyday life, sleeping in the open air, surrounded by their bikes, staring at the stars - what more could you ask for?

After a good night's sleep members were woken early in the morning, but it was not the alarm that woke them up, but the smell of freshly fried bacon and onions and baking eggs on the grill.

During the day everything was about their passion for riding motorcycles and together they cruised over country roads, through small villages and along fields – the ride was superbly organized to ensure a safe and enjoyable time for everybody!

Included in the weekend was a trip to the summer party of the Blue Knights Germany XXI - Thanks were given to them for their warm welcome and the great celebration!

And as if that wasn't enough, there were still special occasions to celebrate.

The weather? Perfect. The mood? Even better. The catering? Mega. The Weekend? Unforgettable! The reasons to celebrate didn't stop there, the Camp Ground had two additional highlights:

Their quartermaster Andy's birthday was celebrated and his life partner Tina was inducted into the Germany 3 chapter. Tina has been enriching our club life for some time - now she has found her permanent place with Germany 3 and the Red Knights as a social member – welcome!

Germany Veterans Honour Ride

Veterans from Chapters Germany 19 and 30, accompanied by other members of the Red Knights MC, took part in the Army Vets MC Honor Run. The veterans of numerous motorcycle clubs commemorate the fallen of past and present wars and remember all those who are still serving.

The highlight of this year's run was the wreath-laying ceremony at the Rheinberg War Cemetery.

This weekend is all about community, solidarity and brotherhood.

A moment of remembrance. A sign of strength. A family on two wheels.

And of course there was plenty of time to celebrate afterwards!

We were invited. We were challenged. We won!

Red Knights Romania 1, together with our comrades from Guerrilla MC Cluj, accepted an invitation issued by Green Knights Romania II MMC to take part in their paintball match.

The competition was fantastic and hard fought as all participants wanted to fly the flag of their Club as winners.

At the finish of the competition, first place was awarded to Romania 1 who accepted their trophy and said that “respect goes to everyone who was there”.

Brotherhood, adrenaline and honour - that's how it's done!

Croatia 1 promise to be back!

GERMANY 34 FINALLY HANDOVER THEIR DONATION TO THE ASSOCOATION DER KAKADU E.V

Germany 34's donation handover, originally planned for September 24th, had to be postponed due to a fire brigade operation was finally ceremoniously made on October 1st.

Their donation of 600 euros came from proceeds of their foundation party raffle and was presented to the Solinger club Kakadu. Since many members of the chapter are active in the Solingen fire department, it was a special concern of the motorcycling firefighters to support a local organization.

This organization, "Kakadu e.V., has been doing valuable work for decades by enabling young people with disabilities to spend their free time in a meaningful and varied way. It was important to us to support an institution that makes a difference right here in Solingen," explained Chapter Vice President Carsten Lane.

It was also nice that so many of the Chapter there, unfortunately two senior members of our Chapter could not be there as they are on long-term vacation but those Germany 34 members that attended were all overwhelmed by the warmth of everyone present and the show of great joy that they were there, and of course also about the cheque.

That was it.... the 2nd Germany Rally was a huge success!

From 8th to 10th August 2025 we met in the Harzlodge in Goslar.

This year the meeting was planned by the Red Knights Germany XII Südheide & the Red Knights MC Germany 23. In total, members from 17 chapters accepted the invitation.

Special thanks go to the Red Knights MC Germany 28 Bad Harzburg - Harz, who led us with 4 road captains and a great tour through their beautiful Harz 'living room'.

It was an entertaining weekend with many brothers, sisters..... friends.

Thank you all for making the weekend an experience!

SWITZERLAND 2 HELP THE CHILDREN DREAM WITH THEIR CHEQUE TO THE THEODORA FOUNDATION

Switzerland 2 held a charity ride in August in aid of the Theodora Foundation. The Theodora Foundation was created in 1993 with a mission: to **offer moments of laughter and escape to children in hospital or with disabilities**. To this end, the Foundation finances and organises weekly visits by professional artists, known as **Dream Doctors**, to hospitals and specialised institutions in Switzerland.

During each visit, the Dream Doctors open a window on the imagination through improvisations adapted to the child's means. They allow her to escape and find her world of laughter and games.

The memories of this event are still very present in the memory of Switzerland 2 and make their President very proud.

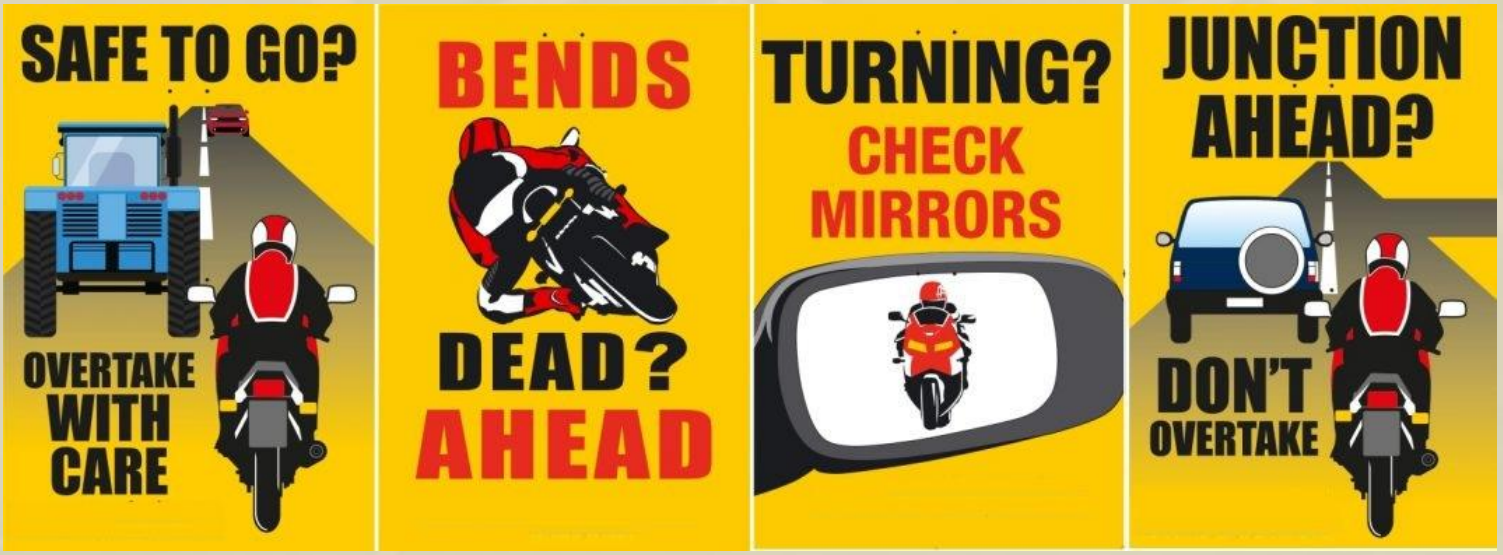
Finally, after six weeks, at the children's hospital Aarau, they were able to hand over the cheque for more than 2124 Euros to the foundation.

David Utz from the Theodora Foundation and the two dream doctors Dr. Grunz and Dr. Gugus were are happy and grateful for Switzerland 1's donation and about the great access to the foundation.

Switzerland 2 thanked Stiftung Theodora for their great moments and their tireless efforts.

Germany XII hand over a cheque to the Mellendorf Children's Nursing Home

On Friday 25th June Germany XII went with a delegation to the children's nursing home Mellendorf where they handed over their donation cheque of over 620€ this year to the children's nursing home Mellendorf.



BELGIUM 2 RAISE MUCH NEEDED MONEY FOR their CHARITY - CAR 't Veld vzw

After another hugely successful and enjoyable June Gathering of the Knights hosted by Belgium 2 in June, they were able to hand over a cheque to CAR 't Veld vzw on behalf of their chapter, all Red Knights and sympathizers who participated in their Annual Gathering in June.

The Gathering's Saturday group ride took the riders to CAR 't Veld vzw where lunch was provided and any Red Knights wishing to do so were shown around the facility and given an explanation about the work carried out there.

The charity that Belgium 2 is committed to provides care and assistance for children with special needs and the Chapter send a big **Thank You** to each and every one of you that attended their Gathering for allowing them to do their bit and by making their donation!

THANK YOU, Brothers and Sisters! In the name of the Hagrid board.

Belgium 2's President, Koen `Buba` Vanthuyne can be seen here handing over the cheque.

WORDS WRITTEN BY BELGIUM 2'S CHARITY

* Red Knights *

Knights for charity,

On a beautiful summery 14th of June, more than 50 motorcycles drove through the parking lot of CAR 't Veld. The spectacle was admired with awe and admiration. It was the Red Knights Belgium II who took a break from their motorcycle ride. And why a break in 't Veld? Because they chose to donate the proceeds from their annual event to CAR 't Veld, a centre where infants, toddlers, and children from primary school with developmental disabilities receive therapy.

On September 28, the beautiful proceeds of €1,250 were officially handed over to director Christophe Indigne and the team of therapists of 't Veld. This help from the Red Knights Belgium II, makes a big difference to the children of 't Veld. The center values innovation and wants to provide tailored work for every child. That means that new material is regularly needed to realize the best possible therapy.

And then... As soon as they arrived, the bikers drove back off. They leave behind grateful therapists and children. They are probably already on their way to new challenges to solve. Because that's how the Red Knights are now. Heroes on a motorcycle...

This is what it means to the Charities that we all choose to support *sw*

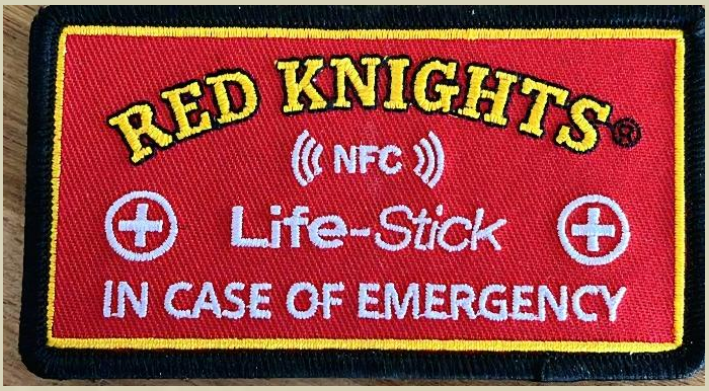
GERMANY 1 PRESENT CHEQUES TO TWO CHARITIES

The Red Knights MC Germany 1 and the Yellow Knights MC Chapter III have jointly handed over €1,234.56 each to the Angelo Foundation and the Malteser Sigmaringen children's and youth hospice service.

The amount comes from our summer party, which the two Motorcycle Clubs organised together.

Afterwards we went on our Memorial Run in silent memory of our deceased brothers.

A MESSAGE FROM FRANCE 9 THAT COULD SAVE YOUR LIFE!



We have already told you in previous communications that as part of its actions for the practice of motorcycling safely, our Chapter supports LifeStick, an innovative passive safety device.

As a reminder, this system allows the emergency services to instantly access vital information about an accident victim, as well as their emergency contacts. When needed, LifeStick allows for faster and more efficient care, thus improving the responsiveness of medical teams and offering greater safety for motorcyclists.

We are happy to announce that as part of its partnership France Chapter IX has been able to develop a patch in the colours of RED KNIGHTS including the device, and for which we have been granted a TMLA.

We are not the designers of this technological innovation, so we have no economic interest in its dissemination. We wanted to support a system that we believe can be used in many areas (motorcycling, cycling, hiking, as well as for children or the elderly). The creation of the RKMC / ***LifeStick*** patch seemed natural to us in view of the values of our ***MC*** and our status as members of fire and rescue services.

Promoting the safety of our members, arousing the interest of global emergency services is our goal!!

ITALY 1'S JOURNEY TO THEIR 2025 EUCON

It was 2019, some of us had just joined the big Red Knights Family. Our first ride out, our first appearances at trade fairs, our first EUCON. We listened to your words, your instructions, your dreams. We remember very well when you said: "...guys, the European Board and many chapters are asking me if we can organize an EUCON in Florence. What do you think about?"

The responses came immediately: Are you crazy? Have you counted us? Where are we going to take them? With what money will use to organize?

Your answers were disarming. You found a solution to everything. You found an answer to everything. "Where shall we take them? Here! To Piazzale Michelangelo!!!

Today, we are a group of 20 members of Italy1 and we have brought our 400 Brothers & Sisters come from all over Europe, the United States, and Canada, to the most beautiful terrace in the world (excuse our modesty!!!). We are proud of what we have done, even though there will always be a big void in our hearts.

So, EUCON 2025 Florence was on September 11-12-13-14, 2025.

We won't hide the fact that there were some organizational difficulties. The organizational was stressful. The days of the event were full of commitments and running around to solve problems. Everything doing as we had planned... almost?!? On Saturday morning, someone came to ring bell to us for the Briefing Run, and in the evening, we forgot about the group photo... forgive us!!!!!

Many Brothers & Sisters took the opportunity to visit our country, some arrived a week early, some went back to home a week late and some didn't want to go back to home!?!

To be present, our Brothers & Sisters joined us by any means possible. Some have grown wings to travel across the Ocean and the Alps; others loaded their homes onto the roofs of their cars; the most daring crossed mountain passes on elephants; many travelled kilometres as true bikers.

However, the big Red Knights Family is not just a bikers' brotherhood, but also a spirit of belonging and duty that makes us unique in the world (Loyal To Our Duty). For this reason, we couldn't miss the opportunity to share this experience with the Florence Fire Department.

The gala evening began with the presentation of the European Board, the firefighter's prayer, and a moment of silence in memory of our Brothers (silence fell over the entire valley!!!).

The traditional bagpipes were replaced by our Florentine flag throwers, who gave us a unique show. Italian hospitality was on the top as we all sat down at the table to eat typical Italian food. An excellent conclusion with a spectacular dessert and Italian coffee espresso (we forgive our Brothers who preferred cappuccino!!!).

Now that all our Brothers & Sisters have returned to their homes, their families, their job, we hope we have made this EUCON2025 Florence a unique experience of Brotherhood, as it has always been in all past EUCON. Italy1 was only a “tool,” but nothing would have been possible without the great Red Knights International Motorcycle Club Family.

Thank you all. See you soon at the next EUCON2026 Fußach.

GERMANY XII SüDHEIDE CELEBRATE THEIR 10TH ANNIVERSARY

On Saturday November 22, 2025, we invited you to our 10 year party. Numerous chapters have followed the invitation. In the afternoon it started with a warm-up, mulled wine, hot cocoa with a shot were available as well as a cake buffet. The fire brigade Oppershausen entertained us for 2 hours with their great music.

At 19:00 the official greeting was held by our prize Ralf. The food truck from **Oliver Premper** has entertained us with its super delicious food.

Highlight of the evening was the knighthood for our new chapter member Rolf, welcome. Later in the evening, Uwe, Jörg, Olaf and Jörn were honoured for 10 years of membership. At midnight we were still able to wish our Nicole a happy birthday.

We would like to take this opportunity and thank you for the many congratulations and gifts for our birthday.

We are proud to be a part of the Red Knights family.

GERMANY 32'S ROAD CAPTAIN ENJOYS A JUNE WEDDING

On 31/5/25, Germany 32's Road Captain Flo married his Katharina in perfect weather.

We were there with a delegation to stand in the trellis and were able to celebrate with the bride and groom for a few nice hours afterwards.

We wish you all the best for the future

OUR REGIONAL 7 DIRECTOR Tom Van Der Kley GETS MARRIED

Tom Van Der Kley expresses his feeling on getting married to Stephana earlier this year.

"Since 02.05.2025 I am the happiest man of the world. My better half, my soulmate and my best friend and I decided to tighten our bond. Accompanied by our closest family we said yes to our future as Mrs and Mr Van der Kley.

Thank You all that made it the best, happiest and memorable day of our life"

GERMANY V CELEBRATE THE MARRIAGE of MANUELA and MARKUS

On the 19th On this Saturday 19th July, it was finally time, our Markus and our Manu said yes to each other!

A very special moment that Germany V could not miss, of course - we were there with pride and joy to celebrate this unforgettable event with the two of them.

We wish the newlyweds all the happiness in the world for their journey together!

GERMANY XXIV ANNOUNCE THE MARRIAGE OF MARKUS & SASKIA

Markus & Saskia tie the knot!

Earlier in the year Germany XXIV had some very special news to share: Their brother Markus and his Saskia have said `YES` and tied the knot!

We congratulate them both from the bottom of our hearts and wish them many happy years together on their journey through life.

GERMANY 23 CELEBRATE KERSTIN & OLAF'S MARRIAGE

On Thursday, October 30, 2025, we travelled to Bruchhausen-Vilsen to form a guard of honour at the wedding of Kerstin and Olaf (both RKMC Germany 23). We warmly congratulate them both on their marriage and wish them all the best for their life together.
